YES, YES, AND YES by:  
Anonymous I am having all  
of the problems listed with  
my 50" LCD TV  
(UN50EH6000F) purchased  
in 2012. I believe Samsung  
settled the capacitor class  
action law suit and  
continued using the same  
inferior part. Are there still  
capacitor problems with  
Samsung TVs? -
